

The Nabisco 600

National Consumer Education Tour

Mondelēz International, parent corporation of Nabisco and maker of Oreos and other popular snacks, is currently in the process of firing 600 workers from the iconic South Chicago Nabisco plant and sending their jobs to Mexico.

In order to educate the public on the serious issues of offshoring jobs and how it devastates communities, teams of laid off Nabisco workers – collectively named *The Nabisco 600* – are traveling the country and speaking to various groups about what has happened in Chicago, how they have been personally effected and the campaign that has been waged to fight back.

Please email Nabisco600@bctgm.org to request a date with *The Nabisco 600*. Suggested events include meetings, rallies and other labor and jobs-related speaking engagements. Please use the contact information and links below to get more information.

SUPPORT AMERICAN JOBS! CHECK THE LABEL!

AFL-CIO Endorsed!

Nabisco/Mondelēz is slashing good middle-class American jobs and shipping them to Mexico.

Do YOU know if your favorite Nabisco products are **MADE IN MEXICO?**

Nabisco/Mondelēz has plants in Monterrey and Salinas, Mexico where low-wage workers, in workplaces with lax regulatory standards, are producing Nabisco products.

Make sure your family only purchases Nabisco snacks made by your fellow American workers. **CHECK THE LABEL** on the back of every Nabisco package (near the expiration date and UPC code) before you purchase.

There are **TWO** ways to tell if your Nabisco snacks are **MADE IN MEXICO:**

1

Check for the words "Made in Mexico"

2

Check the plant identification code:

DO NOT BUY:

MM = Monterrey, Mexico
MS = Salinas, Mexico

DO BUY:

AE = Chicago
AH = Portland, Ore.
AP = Fairlawn, N.J.
AX = Atlanta
AZ = Richmond, Va.
XL = Naperville, Ill.

DO NOT BUY Nabisco products made in Mexico and tell your grocery manager to stock **ONLY AMERICAN-MADE** Nabisco/Mondelēz snacks!
